On 20 October 2005, in response to the Notice of Non-Compliant Amendment (37 CFR 1.121) mailed on 14 October 2005, the undersigned called Examiner Hein Phan to advise that the amendment filed on 26 September 2005 was in a reissue application subject to 37 CFR 1.173, so that the Notice of Non-Compliant Amendment under 37 CFR 1.121 was inappropriate. Mr. Phan advised that he was instructing the Examiner by e-mail both to vacate the Notice of Non-Compliance and to enter the amendment. On 20 October 2005, the undersigned received a phone call from the Examiner confirming that the amendment was in compliance with 37 CFR 1.173, that the application would be examined responsive to the amendment filed on 26 September 2005, and that no further action by the Applicant was necessary at this time.

Applicant respectfully submits that the instant application is in the proper form for Notice of Allowance, and respectfully requests that this be timely issued in this case.

Respectfully Submitted,
